**Way to Go St. Paul families!!!** Did you know by ordering Scrip cards this year you have put projectors and mimo boards (like a Smart Board) into more classrooms!! As teachers we are so excited to have this technology in our classrooms. (No more overhead projectors and markers!!) This makes lessons completely interactive with the students in our classrooms. So, why am I telling you this??? Well, Scrip does not stop over the summer and we would like for you to think about what you are going to be doing in July and the beginning of August. School shopping pops into my mind. Will I shop at Wal-Mart, Kohls, JC Penney, Old Navy or will you eat out at Applebee's, Olive Garden, or even Outback Steakhouse??? Think ahead a little and order the gift card to carry in your wallet. We could put more great things into our classrooms by thinking ahead on where we will spend our money. Bring your order to church or stop by the school office and drop it off. Check out [www.glscrip.com](http://www.glscrip.com) for a list of retailers that you can order from. There is also a list of local businesses that are available in the office.

**PARENTS:** Psychologist and author, Kevin Lemon, offers practical advice to parents who need help in disciplining their children effectively. Listen on-line at focus on the family.com. Click on Broadcasts and Podcasts. Under What is it? click on Focus on the Family; scroll down to Learn More About –recent daily broadcasts and click on that. On that page you will find the programs featuring Kevin Leman of June 24<sup>th</sup> and 25<sup>th</sup>.
